Chapter 10 Uiiiiin Uiiiiin

I went for a walk today since the weather is nice but...
It sure is hot for October!
It's Suzuki's little brother...
Ah!

I have cleaning duty today, and I gotta get it done while My brother's out.
Really? Dodgeball won't be as fun without you.
Ye... Yeah ...
Hey! Are you going home early?
I'M sorry... Even though you went out of your way to invite me...
HOW SAD!
He has to clean his house on a weekend while all his friends are busy playing...
I wanna play with them ...
I feel so sorry for him...
Ok, I see. See you later!
WAIT A MINUTE!

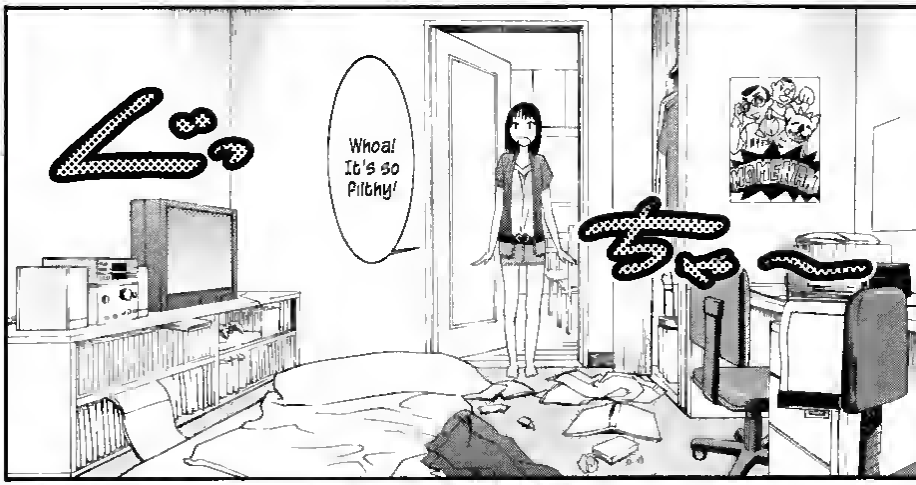
It's Yayoi!!
Why are you here?!
Naoto, I heard everything you said.
I will clean your house so you can play with them!
Really?
Yeah, it's okay.
But you shouldn't, since it's my job.
And...
No problem, Naoto!
I WILL EXPLAIN IT TO HIM SO GO!
If I let you do my job, he'll get angry with me...
ひぃ

It's okay~♥
Okay, thanks!
.....
Get going!
But...
I'll be back by 5PM~
.....
Now then...
I have to finish before "he" returns.
"He" is Suzuki Yuta, Naoto's brother!
He's going after my virginity... A very dangerous man!

Excuse me...
But I really am afraid to enter this home...
Naoto is a good boy so I want to help him....



ごっ
Whoa! It's so filthy!

I see... Yuta's reading this book.
Perhaps it's his dream to become a sushi chef?

I understand that it's normal for it to get this messy when brothers live together, but...

Oh, I forgot! I have to clean!
Should I include this in the laundry?
Hmm...
Wow... I'm surprised that he carries around his student handbook even though he's a delinquent.
It's really unexpected
WHAAAT !?!?
